

# University of Raparin - College of Science - Final Examination Schedule 2018 - 2019 - First Trial

		Biology				Chemistry				Physics			
		1st Year	2nd Year	3rd Year	4th Year	1st Year	2nd Year	3rd Year	4th Year	1st Year	2nd Year	3rd Year	4th Year
20/04/2019	Saturday	Analytical & Organic Chemistry		Molecular Biology		Analytic Chemistry I		Organic chemistry II				Technical Instruments	
21/04/2019	Sunday		Histology and Embryology		Genetics and Cell biology		Organic Chemistry I		Polymer chemistry		Thermodynamics		Practical physics
22/04/2019	Monday												
23/04/2019	Tuesday	Kurdology		Plant physiology		Physics		Inorganic chemistry III		Mechanics & Properties of Matter		Electronics	
24/04/2019	Wednesday		General microbiology		Immunology		Inorganic chemistry II		Organic identification		Electrical Measurement		Nanotechnology
25/04/2019	Thursday	Zoology		Ecology and Pollution		Computer Science		Natural and environmental product		Physical Chemistry		Quantum Mechanics	
26/04/2019	Friday												
27/04/2019	Saturday		Invertebrate and Parasitology		Medical bacteriology and Antibiotics		Mathematics II		Quantum chemistry		Atomic Physics		Radiation Protection, Radiation
28/04/2019	Sunday	Computer Science		Soil and water microbiology		Mathematic I		Industrial chemistry				Practical Physics	
29/04/2019	Monday		Algae and Archegonia						Research Methodology & Nanochemistry		Linear Algebra		Laser
01/05/2019	Wednesday	English Language	English Language	OFF	Comparative anatomy and Chordates	English language	English			Calculus I	English for physics		
03/05/2019	Friday	Botany		Animal physiology		Safety and Chemical Hazards		Physical chemistry II				Optics	
04/05/2019	Saturday		Plant anatomy and taxonomy		Food and industrial microbiology		Physical Chemistry I		Instrumental analysis		Analytical Mechanics		Electromagnetic Theory
05/05/2019	Sunday			Biostatistics and research methods		OFF				Electricity & Magnetism		Numerical Analysis and Programming	
06/05/2019	Monday		General Entomology		OFF						Advance Calculus		Nuclear Physics
07/05/2019	Tuesday			Mycology & Plant pathology		Inorganic Chemistry		Biochemistry				Complex Analysis and Special Functions	
08/05/2019	Wednesday		Biochemistry		Virology and Microbial physiology		Analytical Chemistry		Clinical Biochemistry		Practical physics		Solid State

**Note: This is not subjected to change**
